

Admission Arrangements and Oversubscription Criteria for the 2024/25 Academic Year

OVERVIEW

These are the admission arrangements for the 2024/25 school year.

As an Academy Trust, we are our own Admissions Authority. In determining this admissions policy we have sought to provide some consistency across our academy while aligning with existing local arrangements where that makes most sense and which reflect our partnership with Doncaster Council.

General Statement

In Doncaster, each school serves a local community, usually referred to as the 'catchment area'. These arrangements reflect the philosophy that 'efficient education' is particularly fostered by closely associating a secondary school and a group of linked primary schools, in a pyramid. In this way, the school becomes part of the provision for a community and the education of the community's children benefits greatly from the association of its schools.

Admission Number

The admission number for the school is 60. A school must have an admission number for each 'relevant age group', defined in law as 'an age group in which pupils are or will normally be admitted to the school in question'. The admission number for each year group is set with regard to the capacity assessment for the school taking into account the nature and type of the school buildings and provides for an acceptable amount of space for each pupil. Therefore, the admission number is set to benefit the children who are taught in the school and those who teach and support them. Where necessary, the Governing Body consults with the LA.

Before making a final decision, the Governing Body considers the number, and size, of classes or registration groups planned. These are determined within resources available. Where this results in places in excess of the admission number being available, places are offered strictly in criteria order.

In the case of the year of entry, a child may not normally be refused admission on the grounds of prejudice to efficient education or the efficient use of resources unless the number of applications for admission exceeds the admission number or a child is offered a school which is ranked higher on a Common Application Formⁱ (CAF) under a Coordinated Admission Schemeⁱⁱ (CAS).

National Allocation Day

Applications for admission to a schools year of entry should be made in accordance with the relevant CAS.

Where parents or carers are applying in the normal admission round for Reception places, they will be informed of the outcome of their application by the Local Authority on the national allocation day.

Closing Date For Receipt Of Parental Preferences

The closing dates for receipt of preferences for the year of entry are in accordance with the Authority's CAS. Late applications are processed in accordance with the relevant CAS.

Eligibility For A Place At A School - Oversubscription Criteria

This section outlines the criteria to be used to decide upon eligibility for a place where the number of preferences exceeds the admission limit.

Preferences for each school will be sorted in the order of the criterion outlined below. Each of the remaining criterions is applied in order of priority as tie breakers, with priority 5 being the final tie breaker.

In all cases, if the number of applications is fewer than the published admission number, all children will be admitted to the school. Children who have a Statement of Special Educational Need or Education, Health and Care Plan which names the school will be admitted ahead of over-subscription criteria being applied. Places will then be offered in the following order of priority:

Priority 1

Looked After Children and previously Looked After Children¹;

Priority 2

Catchment Area

Children who are ordinarily resident in the catchment area of the preferred school. (Details of Catchment Areas are available at www.doncaster.gov.uk/admissions)

For applications for the year of entry, a catchment area school will be determined in relation to the address at which the pupil is ordinarily resident on the closing date. Once a waiting list is formed, a child's place on that list will be updated in light of any new address.

Priority 3

¹ Children who are Looked After Children and all previously Looked After Children

A 'looked after child' or a child who was previously looked after but immediately after being looked after became subject to an adoption, child arrangements, or special guardianship order including those who appear [to the admission authority] to have been in state care outside of England and ceased to be in state care as a result of being adopted. A looked after child is a child who is (a) in the care of a local authority, or (b) being provided with accommodation by a local authority in the exercise of their social services functions (see the definition in Section 22(1) of the Children Act 1989).

An adoption order is an order under the Adoption Act 1976 (see Section 12 adoption orders) and children who were adopted under the Adoption and Children Act 2002 (see Section 46 adoption orders). A 'child arrangements order' is an order settling the arrangements to be made as to the person with whom the child is to live under Section 8 of the Children Act 1989 as amended by Section 14 of the Children and Families Act 2014. Section 14A of the Children Act 1989 defines a 'special guardianship order' as an order appointing one or more individuals to be a child's special guardian (or special guardians).

Siblings

Children who are living within the same family unit (as defined in 'Notes' below) who will be attending the requested school, (excluding nursery), at the proposed point of admission.

Priority 4

Children of school staff in skills shortage posts

Children of school-based staff (not wider Trust staff) recruited to fill a skill shortage post – this will be subject to confirmation by an Astrea non-executive Regional Ambassador that, on the evidence available, the post does indeed relate to a skills shortage in the area; **Priority 5**

Distance

Children who live nearest to the requested school measured in a straight line from the centre point of the child's ordinary place of residence, to the entrance nearest to the reception point of the school building. In the case of split site schools, 'entrance nearest to the reception point' will refer to the site the pupil attends for the purpose of morning registration.

If two or more pupils live equidistant from the school, the distance each pupil lives by road from the preferred school will be measured and the place offered to the pupil who lives nearest by this means. In the event of this being equal (e.g. in the case of flats), places will then be decided by Random Allocation.

Measurements will be made using ONE provided by Capita Education Services and/or ArcView GIS provided by Environmental Systems Research Institute Inc or suitable substitute.

Where a place is only available in any of the above criterion for one child from a multiple birth i.e. twins, each child will be offered a place.

Tie-breaker

Each of the above priorities is applied, in order, as tie breakers, with priority 5 being the final tie breaker.

The Offer Of A Place At A School

Decisions will be posted to parents in accordance with the Authority's CAS.

Waiting lists

Waiting lists are ranked in line with the oversubscription criteria summarised above and detailed in the appendices – and are re-ranked whenever a new applicant is added. In Doncaster, waiting lists are maintained until 31st December 2024.

Appeals

All applicants who are refused a place have a right of appeal to an independent appeal panel which is constituted in accordance with the School Admissions Appeal Code. All parents and carers that are refused a place will be informed of the process for submitting an appeal by their Local Authority.

Notes

Delaying Entry to a Reception Class and Part-time Attendance

Children reach compulsory school age on the prescribed day following their 5th birthday (or on their fifth birthday if it falls on a prescribed day). The prescribed days are 31 August, 31 December and 31 March.

Where parents apply for admission to a reception class for a child who is not of statutory school age, and parents wish to delay entry, a child should be admitted to the class no later than the beginning of the summer term in the reception year. Parents can also request that their child attends part-time until the child reaches compulsory school age. Either type of request will be considered by the principal in circumstances where it appears to be in the best interest of the child.

Deferring Entry of summer born children outside their normal age group

Parents of summer born children (born between 1 April and 31 August) are currently able to request that their child defer entry to a reception class for a full academic year. When such a request is made, the principal will make a decision on the basis of the circumstances of the case and in the best interests of the child concerned, taking into account any supporting evidence provided by the parent. If the request is allowed, normal admission rules will apply and there is no guarantee that a place will be offered at the requested school(s).

Parents should set out their reasons for their request using the Deferred Entry Request Form and send it to the relevant school during the autumn term after their third birthday. This will ensure that they do not miss out on a place at the normal point of entry which should be made by the national closing date - 15 January. Further guidance and the form can be found on the Council Website at www.doncaster.gov.uk/services/schools/primary-admissions

False Information

Any place offered on the basis of a fraudulent or intentionally misleading application will be withdrawn, e.g. giving a false address. It is for parents to satisfy the LA of their circumstances as they apply to the admission criteria at the time of application.

Multiple Addresses

Where a child is resident with parents at more than one address, the address used for admission purposes shall be the place at which the child spends the majority of the school week (Monday to Friday) during term time. Where there is a clear 50/50 split, parents should decide.

Admission of Service Personnel and Crown Servants

Applications for service personnel and crown servants moving to Doncaster will be considered one term in advance of a change of address in accordance with the guidance from the DfE providing that the application is accompanied by an official letter that declares a relocation date and a Unit postal address or quartering area address.

For the sibling criterion to be applicable one of the following conditions must exist:

- a) Brother and/or Sister to be permanently resident at the same address;
- b) Stepbrother and/or Stepsister to be permanently resident at the same address (to include halfbrothers/sisters).

The child's ordinary place of residence will be deemed to be a residential property at which the person or persons with parental responsibility for the child resides at the closing date for receiving applications for admission to school.

Where parental responsibility is held by more than one person and those persons reside in separate properties, the child's ordinary place of residence will be deemed to be that property at which the child resides for the greater part of the week including weekends.

Where responsibility for a child is shared evenly, the person receiving Child Benefit is deemed to be the person responsible for completing application forms, and whose address will be used for admissions purposes.

Explanatory Notes

ⁱ **Common Application Form (CAF)**

This is a form used in the admission process on which parents express preferences for a school or schools at the normal point of admission.

ii Co-ordinated Admissions Scheme (CAS)

A scheme, determined by a local authority, for ensuring that a single offer of a place is communicated to parents who have applied for places during the normal admission round. Separate schemes apply in the case of primary and secondary admissions.
